# Superior Dealer Design Center

Based in South Florida, **Superior** operates a state-of-the-art design center and manufacturing facility. Over the past year we have made significant investments in our facility to assist and improve the overall experience of our dealer and wholesale customers. In other words, our design center was created for you and your customers.

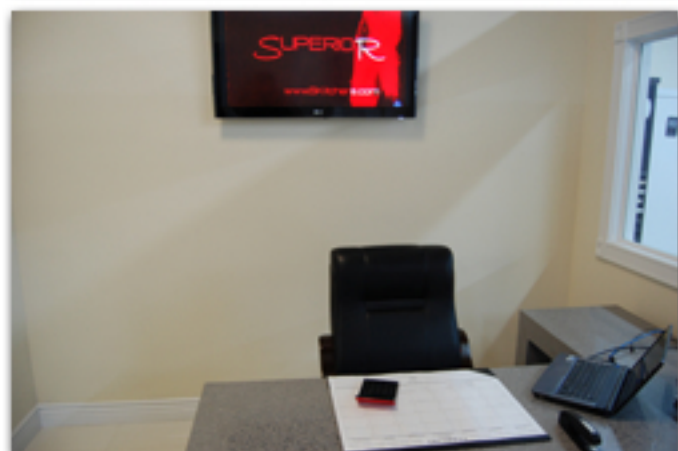

Our facility offers our clients a stunning, comfortable and confidential showroom setting to schedule and meet with their own prospects or customers.

Including 3000 sq. feet of showroom space, the design center showcases South Florida's leading high quality, all wood construction cabinetry in stunning full displays to assist you with your own sales.

In addition, our design center has three, state-of-the-art contractor offices which are at your disposal to sit down and meet with your prospects. The office space offers full quartz desk & LED TVs with HDMI outputs to connect to your own laptop. Furthermore, we have KCDw cabinet software on hand to assist you with renderings.

**As always the Superior team is on hand to assist you with anything you need, but only at your request... so call the showroom your own!**

Founded during difficult economic times, we develop our showroom with the idea of "those who work together, succeed together."
